

Opening Request Trust-Account & Ephi-ID

According to the Charta of the Ephraim National Gold & Silver Trust of 8/11/2020

I hereby register alive with the priest of the order of Melchizedek and request the delivery of an Ephi-Card registered to me as well as my own trading account at TempleCoin.org. For this I assign Hannes Antaszek as trustee of the Ephraim National Gold & Silver Trust to manage my account for me.

With the one-time payment of 157,-€ for the Ephi-Card and account opening at the Trust I agree and submit below personal data to create my Ephi-ID.

I have read and accept the Ephraim Media Truth Terms and Conditions and the Trust Charta.

I will send a photo of this signed living notification/opening application with a photo of myself to hannes@Ephraim.info. I understand that I must then register as a member on the templecoin.org site in order to access the services of the Ephraim National Gold & Silver Trust.
